

MATERIAL SAFETY DATA SHEET
DUROCK ALFACING INTERNATIONAL LTD.

1. Chemical Product and Company Identification

Product Name: BIG Extra
MSDS Date: June 2012

Company Identification
DuROCK Alfacing International Ltd.
101B Roytec Rd
Woodbridge, On
L4L 8A9

Emergency Telephone Numbers
Health Emergency: 905-856-0133
Spill Emergency: 905-856-0133

2. Composition/Information on Ingredients

Product Composition

Dry powders, multi-components of silicious minerals and modified ethylene acetate copolymer.

3. Hazardous Identification

Primary Routes of Exposure

Inhalation Skin Absorption Eye Contact Ingestion Skin Contact

Effects of Acute Exposure to Product

Breathing dust may cause nose, throat or lung irritation and choking. Prolonged or repeated exposure may cause lung injury including silicosis. Risk of injury depends on duration and level of exposure. May cause eye irritation and damage to cornea. May cause dry skin, redness, discomfort, irritation or burns. Ingestion of large amounts may cause intestinal distress.

Other Health Effects

Crystalline silica is a chemically inert, non combustible mineral. Prolonged exposure to respirable crystalline quartz may cause delayed lung injury. Pulmonary function may be reduced by inhalation. Smoking aggravates the effects of exposure.

4. Toxicological Properties

Skin contact or absorption: None
Eye contact: Yes
Inhalation: Yes
Ingestion: Yes
Irritancy: Not available

DUROCK ALFACING INTERNATIONAL LTD.
101B ROYTEC RD
WOODBIDGE, ON
L4L 8A9

PRODUCT: BIG EXTRA
DATE: JUNE 2012

5. Physical Data

Physical Form: Solid dry mixture
Appearance: Fine free-flowing grey powder
Odour Threshold: Not applicable
pH in Present State: Not applicable
Melting Point: Not applicable

6. First Aid Measures

Inhalation

Move victim to fresh air. Obtain medical attention for discomfort.

Eye Contact

Immediately flush eyes with running water for a minimum of 20 minutes or with an ophthalmic saline solution. Hold eyelids open during flushing. If irritation persists, repeat flushing. Obtain medical attention for abrasions.

Skin Contact

Flush skin with running water and wash affected areas thoroughly with soap and water.

Ingestion

Rinse mouth with water. DO NOT INDUCE VOMITING but drink plenty of water. Obtain medical attention for discomfort.

If symptoms persist, contact a physician or other medical personnel.

7. Fire Fighting Measures

Flash Point: Not applicable
pH (present state): Not applicable
Sensitivity to Static: Not applicable
Rate of Burn: Not applicable

8. Handling and Storage

Storage Conditions

Normal precautions for dust. Store in a dry area away from water.

Handling Procedures

Precautions for nuisance dust should be provided.

DuROCK ALFACING INTERNATIONAL LTD.
101B ROYTEC RD
WOODBRIDGE, ON
L4L 8A9

PRODUCT: BIG EXTRA
DATE: JUNE 2012

9. Personal Protection

Respiratory Protection

NIOSH/MSHA approved respirator if required.

Eye Protection

Safety glasses with side shields are recommended to prevent eye contact. Wearing contact lenses when using this product under dusty conditions is not recommended.

Hand Protection

Use gloves, shoes and protective clothing to prevent skin contact.

Engineering Controls (Ventilation)

Use local exhaust or general ventilation to maintain dust levels below exposure limits in workplaces with poor ventilation and dusty conditions.

10. Disposal Considerations

Procedure

Dispose of in accordance with Federal, Provincial and local regulations.

Clean Up Procedure

If in contact with water, floors may become slippery.
